Requests sanction to the Bye-laws framed by the Sedlapalle Municipal Council for the regulation and management of meat-markets under Section 48(a) of the Municipal Regulation VII of 1906

The Bye-laws are in accordance with the Bye-laws framed by the Kupparu City Municipal Council (vide page 242 of the book)

Subd for orders

16/10 [illegible] 25

Section 48(1)(a), provide for the regulation of markets belonging to Municipal Councils or what are called public markets and 48(1)(b) regulate private markets. But bye-law 1 is so worded as to prohibit altogether the existence of private markets or the sale of the articles therein. As powers under this bye-law viz 48(1)(a) has to be made with reference to public markets. This may be made clear ~~by~~ by substituting the words 'public market' for "markets" in bye-law 1.

It is not known if objections

From the words "for the use of any of them which belong to the Municipal Council" occurring at the end of clause (a) of Section 48(1), and the words "for the use of any place but belonging to the Municipal Council" occurring at the end of first para of clause (b) of the said Section, it seems that "markets", "slaughter houses" and "places used ~~in~~ by or for animals sold" occurring in clause (a) have to be construed as markets etc, belonging to the Municipality or what are called public markets and these words occurring in clause (b) as relating to private markets etc.

The Municipal Councils do not seem to have power to prevent the sale of fruits and vegetables in places outside the markets or other places belonging to them. Under Section 48(a) vegetables and fruits are not specifically mentioned, and 48(b) provides only for the regulation of the sale of fruit and vegetables in private markets and not in private shops etc Vide the phraseology used in 48 (b) (ii) as regards animals intended for food or meat or fish and as regards fruits and vegetables; while in the former case market or shop is mentioned, in the latter case only market is mentioned.

In this view, the inclusion of fruit or vegetables in the bye-laws proposed may not be necessary. But as the sale of beef or mutton is permissible in private markets or shops under licenses issued by the Municipal Council, bye-law 1 will have to be amended so as to provide for this The words "or such private market

or shops as are licensed in writing by the President of the Municipal Council" may be added at the end of this bye-law. The word "Market" might then be left as it is
